

Electing Your School Board Members

Your Board of Trustees, comprised of seven local citizens, provides an important public service to the Fort Bend community and serves without compensation. In accordance with the Texas Elections Code, Fort Bend ISD calls Board elections for the second Saturday in May of each year. Vacancies occurring after the election are filled by appointment until the next election is conducted.

Trustees are elected to three-year terms on a rotating basis. Two are elected each year, one from each side of the district (Position 1, 2 and 3 on the West, and Positions 5, 6 and 7 on the East). Also, every third year, the “at large” Position 4, is elected.

The seven Board of Trustees Members are voted on by all residents of the district, and represent all residents of the district.
